The Old Houses of Uusikaupunki

Sat 7th and Sun 8th from 10 am to 6 pm

The charm of wooden houses will sweep you away

Uusikaupunki is known for its beautifully restored wooden houses. Dozens of delightful and pretty wooden houses open their doors once more for the public to bring joy and excitement into the early autumn. The traditional Old Houses of Uusikaupunki wooden house event invites people to take a peek inside some beautifully decorated homes. The various destinations can be browsed at one's own pace. There is plenty to see even for the whole weekend. The beautiful houses can give ideas and inspiration as well as useful information on old houses and renovation work.

In addition to the tour of the houses, there is a chance to stop at a garden café or a flea market. At the same time, you can take a look at some cleverly designed gardens and beautiful flower beds. During the weekend you will notice that the atmosphere of the event is as positive and warm-hearted as the inhabitants of the homes. The home-owners who have opened their doors to visitors will show you around with enthusiasm. So don't hesitate to ask questions, and be sure to reserve plenty of time for the tour. The houses are situated within walking distance from each other, and there are plenty of cafés and restaurants along the way. Join us in admiring the idyllic wooden houses of Uusikaupunki!
