Go outside and explore Uusikaupunki - Find the hidden statues!

Hidden Play is a series of small bronze sculptures hidden in the terrain that can be searched for using a digital or printed map. Each route comes with a mobile game that helps you look at the environment from different angles and learn new things. The search is free of charge for the participants. Hidden Play is a combination of community art and treasure hunting games (eg geocaching). Young people have made statues at workshops, brainstormed and planned a route.

The route is suitable for everyone: residents, school classes, seniors, work groups, tourists, etc. The route is about 4-5 km long. You can search for hidden play sculptures at: <https://piiloleikki.fi/kartta/>
